Dormant Account Fees Correction Notice

In our 2017 Summer edition of the Insights Newsletter, we incorrectly stated that our dormant account fee is \$25.00 per year. The correct fee is \$25.00 per quarter. We apologize for the misprint.

Just as a friendly reminder, fees and potential escheatment of accounts can easily be avoided by conducting a small transaction or keeping in touch with us each year. If you have any questions or concerns regarding dormant or escheatable* accounts, please do not hesitate to contact us.

*An escheatable account is an account that has had no activity or contact from the member in the past 3 years. These accounts are escheated to the State Controller's Office of Unclaimed Property.
