New Benefits from our

CORE**** CONVERSION

Thank you for your patience during our system conversion upgrade in November. We are excited for all the new possibilities and opportunities this new system will bring to you and fellow members going forward. Some new features and benefits that we hope you will enjoy, include:

ONLINE BANKING

Our new online banking system allows for a smooth personalized banking experience to stay connected and in control of your accounts from your computer or laptop, mobile phone, or tablet. Easily view balances, transfer funds, manage payments, deposit checks and even have a digital conversation with support staff when assistance is needed. Visit our website to get started today!

MOBILE BANKING

Our new mobile banking app will make it easier than ever to access your bank accounts right from your mobile device, anytime and anywhere. Plus, you'll enjoy the convenience of managing and paying bills, view transactions, deposit checks, and set up various notifications to be sent to your phone. The new version of the Sea Air FCU App is now available to download on the App Store and Google Play.

ESTATEMENTS

As you may have noticed our eStatements (and printed statements) have received a new look, which allows for us to place important reminders, promotions, and messages. With eStatements there's no need to wait for the mail and can instead be viewed, printed, and downloaded from online banking! Signing up for eStatements is easy, just log-in to online banking and follow the menu to sign up.

AUDIO RESPONSE SYSTEM (Telephone Teller)

Don't have access to a mobile device, computer, or tablet? No problem, our Audio Response System is available 24/7 to check account balances and history, transfer funds, make a loan payment, find out which checks have cleared and withdraw funds by check. Our audio response phone number has changed to 1.833.633.9156.

SERVICES & PRODUCTS

With our new core system, we're able to provide efficient in-person service when you visit our branch offices. Plus, coming soon we'll be introducing new and enhanced products and services that will help keep you financially fit!

Servicing our members is our number one priority and our commitment has not wavered. Please give us a call or stop by the branch with any questions or concerns. We will keep you posted on future developments to come, and we thank you greatly for being a member of our Credit Union family.
