## Message From Our CEO

We're here to help our members save money and take advantage of historically low mortgage rates.

If you have not been able to take advantage of the low interest rates available on your mortgage, we are providing you with one more opportunity. Whether you are refinancing or purchasing, the credit union is offering a discounted rate on both 15- and 30-year mortgage loans. We are even offering a discount on fees if you start the process by the end of June. If you are refinancing and not sure if the new rate is worth it, we can help you crunch the numbers. A mortgage is your largest debt (in most cases) and we want to make sure you have a competitive rate. Thank you for being our member. We look forward to serving you.

## KEEP IN TOUCH!

If you recently moved, have a change of address, or are not receiving our correspondence, please contact us today. Inactivity on your account could result in dormant account fees of **\$25 per quarter** and return mail fees of **\$5 per piece**.
