## Contactless Cards Are Now Available! •)))

We're happy to announce that contactless cards are available for Sea Air FCU debit and credit cards! All newly issued cards will be contactless. **Current members will receive contactless cards when their current card expires or reissued by request.**

### Here is all you need to know about contactless payments:

- ★ Similar to using the chip on your card, each transaction uses a one-time code to ensure safety, so you will not pay twice even if you accidentally tap twice and will not pay for a transaction that isn't yours just by being near a card reader.
- ★ Checking out is simple and faster than ever:
  1. **LOOK** for the contactless symbol on the card reader at checkout.
  2. **TAP** your contactless card on the card reader.
  3. **GO** on your way as your payment is processed in seconds.

Thank you so much for your patience while we continue to make improvements in order to serve you better!

**Questions or want your card earlier?** Give us a call today!
