IN YOUR WORDS: Member Success Stories

Let me start off by saying that my experience with Sea Air FCU has always been a positive one, from the excellent customer service and assistance received from the loan department to the easy navigation and accessibility of the previous system. I'll admit I was a little nervous about the system conversion mainly because I don't always like change BUT the new & improved versions of the website and app are fantastic!!! I am definitely pleased and happy to be a member of Sea Air!
